

Wisconsin River Outings, LLC
Guided Trips ~ Canoe & Kayak Rental ~ Livery

866.41.CANOE ~ www.86641canoe.com

READ THE INFORMATION BELOW BEFORE GOING ANY FURTHER!!

WE'VE MOVED! And WI 133 is under construction from Muscodia to Boscobel.

If you are renting canoes or kayaks you should drop people and gear at the put in in Muscodia and then the drivers should head to Boscobel to pay for your rentals and WRO will take the drivers and canoes to the put in. If any issues or uncertainty arise call 866.41.CANOE

If you are on a guided trip, you should have instructions that were agreed upon prior to your arrival, usually just like those above. If any issues or uncertainty arise, call 866.41.CANOE.

We are located approximately 1.25 hours west of Madison...a beautiful drive! The shop is located at 715 Wisconsin Ave, Boscobel, WI 53805.

From Chicago to Muscodia:

(From Arlington Heights Rd and I-90, it is 185 miles) I-90 to US Rt 12/18 West on the south side of Madison, exit is from left lane of the Interstate. Follow 12/18 West to US Rt 14 to Spring Green (resist the urge to jump on US 14 any earlier than the Spring Green Exit). Take US Rt 14 to the town of Gotham (about an hour) and take WI 60 West, or a left. Take WI 60 West to WI 80 South or a left when you get to the 4 way stop. Head south over the bridge (if day light look to the left you'll see the boat landing) and take your first left, which is River Road. Victoria Park is all along your left as you drive down River Rd. You'll find your way to the landing from there.

From Milwaukee to Muscodia:

I-94 West to Madison. I-90 and I-94 merge East of Madison, continue West to La Crosse. Within 5 miles of I-90 and I-94 merging you'll come to WI 19, exit and take a left (West). Stay on WI 19 (it will do some turning so keep an eye out) until you come to US Rt 14, take a right (West). Take US Rt 14 to the town of Gotham and take WI 60 West, or a left. Take WI 60 West to WI 80 South or a left when you get to the 4 way stop. Head south over the bridge (if day light look to the left you'll see the boat landing) and take your first left, which is River Road. Victoria Park is all along your left as you drive down River Rd. You'll find your way to the put in from there.

From Quad Cities to Muscodia:

Take US 61 North, (you'll go right by our shop) to Boscobel, drive all the way through Boscobel, over the bridge and go East (right) on WI 60. Take WI 60 for about 15 miles to the 4 way stop at WI 80. Make a right, south, on WI 80, go over the bridge (if day light look to the left you'll see the boat landing) and take your first left which is River Road. Victoria Park is all along your left as you drive down River Rd. You'll find your way to the put in from there.

To the our NEW shop:

Head back out to WI 80 north (right) and go over the bridge to the 4 way stop and take a left on WI 60. Take WI 60 about 15 miles to US 61 south, to Boscobel. Go over the bridge and into town to LeGrand Street, there's a Phillips 66 sign on your left at LeGrand. Make a left and take that until it ends, look to the right and we're right there. We've purchased an old feed mill; look for all the canoes and trailers. Welcome!

Providing safe, enjoyable trips for groups of all ages and abilities.
